

14th International People Plant Symposium OCTOBER 11-13 2018 Malmö Sweden

It's getting closer. Lots of new information about the conference on the website. Don't miss out. Join us today!

IPPS2018.se

Pre-tours

Xenofilia Foundation –to promote activities that contribute to an inclusive society, and increase young people's opportunities to influence their future.

Slottsträdgården – The castle garden, located in central Malmö, is one of the city's most popular tourist destinations for both Malmö residents and visitors. We will be given a guided tour of the various garden rooms. All grown organically.

Parallell sessions during two days.

- *Urban Green Space I*
- *Urban Green Space II*
- *Farming for health*
- *Animal-assisted interventions*
- *Nature-based interventions in different settings*
- *Supportive outdoor environment*
- *Horticulture therapy*
- *Urban Agriculture*
